Budget Appendix Page	Heading	1988 Budget Request Pending	1988 Proposed Amendment	1988 Revised Request
I-Q7	Contribution to international organizations.....	\$470,000,000	\$100,927,000	\$570,927,000

This proposal would provide \$79,187,000 to restore funding withheld due to the Kassebaum/Solomon restrictions required by Public Law 99-93. The restrictions require the partial withholding of U.S. assessed contributions to the United Nations and its specialized agencies. The purpose of these restrictions was to encourage the United Nations to adopt certain financial and administrative reforms. At the urging of the United States and other concerned nations, reforms have been adopted that the Administration believes constitute a sufficient first step in fulfilling the intent of Public Law 99-93. The proposal also includes \$21,740,000 to restore the shortfall in the U.S. contribution to the United Nations resulting from the decline in the value of the dollar. This proposal would increase fiscal year 1988 outlays by \$100,927,000.
